ART ON THE WALLS

The current display features prints by Edward Bawden (1903-1989), English painter, illustrator and graphic artist, known for his prints, book covers, posters, and garden metalwork furniture. Bawden taught at the Royal College of Art, where he had been a student, worked as a commercial artist and served as a war artist in World War Two. He was a fine watercolour painter but worked in many different media, illustrating several books and painting murals in both the 1930s and 1960s.
